

Water Treatment Services dba WTS | First Defense

CAPABILITY

Water Treatment Services dba WTS | First Defense, established in 2005, provides a wide range of facility management services including asset protection of critical systems for **boilers, cooling towers, RTUs, generator switchgear, and HVAC Maintenance.**

We specialize in **maintaining 100% operational readiness** with an average **25% cost savings** and **millions in downtime.**

DIFFERENTIATORS

Our technicians are **fully trained and empowered to make recommendations in the field** thereby avoiding unnecessary delay and expense of relaying information to off-site employees for answers.

>30% of employees are military **Veterans**

We **reinvest** in our employees by sending them to specialize training to constantly improve their **skill sets.**

Owner, Bill Campbell, **Small Business Owner of the Year- PA 2018**

Subject matter experts with over 50 years combined experience.
